2018/2019

## 50ft Charter Catamaran

This Voyage 500 catamaran was designed for the luxury charter market and is typical of crewed vessels. Her shallow draft enables beaching and access to secluded anchorages.

A beam of 8.3 meters and length of 15m offers outstanding stability, and space for stowing leisure items leaving the deck uncluttered. Separate outside engine rooms house the dive compressor, silenced generator and a large water maker for an adequate fresh water supply.

The gourmet galley on the upper level shares panoramic views with the large saloon and bar. Microwave oven, two freezers, fridge, icemaker, air-conditioners, TV & VCR and CD players in the saloon, and all cabins are built in to optimize living space. Double sliding doors open fully to integrate the shaded cockpit area with the saloon, creating a large entertainment area.

Four en-suite queen sized guest cabins, well ventilated and air-conditioned, offer privacy from the deck through tinted hatches. All portholes offer clear views

## 50ft Charter Catamaran
